### LEARN TO SKATE PROGRAM STAGE 1 – 6

**Canskate** is Skate Canada's flagship learn-to-skate program that focuses on agility, balance, and control in preparation for figure skating, hockey, and ringette. Six levels of badges and other incentives are awarded as fundamental skating skills are learned. Lessons are given in a group format and led by NCCP Certified Professional Coaches using teaching aids, music, and activities that create a fun, fast paced environment and promote learning. Coaches are assisted by trained Program Assistants. Warm mitts, coats and pants suggested. CSA certified Hockey Helmets are mandatory for Pre-CanSkate and CanSkate. (Cage optional) Private Lessons are available for all skaters, see information on website.

**Pre-CanSkate** (ages 3-5) is geared toward younger children with little to no skating experience. Children are introduced to basic skating through action songs, games and play and then progress into an informal group structure. Parents do not accompany their children on the ice. Children need to be able to stand and walk on their own in their skates on the floor - leave on the ice to us!

## North Dorchester Skating Club Volunteer Activities

The North Dorchester Skating Club is a non-profit organization run by volunteers and relies on fundraising to help subsidize seasonal operational costs. It is expected that each family help in some capacity during the year.

Opportunities include Bingos, 50/50 Draws at Dolphin Games, Playing Music during sessions, Helping at Rehearsal/Carnival (certain positions only), joining the Board, and helping at Test Days. **Sign Up sheets are available at registration, bonds are posted on the online registration, and noted on our website as well.**

The Club's main form of fundraising is bingo. Bingos require 6 volunteers to run effectively, or we risk the chance of losing our license, **these are very important to keep registration costs low.** Bingos are a very easy and fun way to work off your bond and usually take about 4 hours (1 credit). Time flies by very quickly and the bingo hall is a smoke-free environment. **Bingo volunteers must be 18 years of age or older.**

Please find below the list of Bingo dates for the North Dorchester Skating Club. Spring/Summer 2020 dates will be announced in March 2020. If you are **mailing** your registration in, to sign up for a bingo, just place the № 1 beside a box for your first choice of date and the № 2 for your second choice. Please note that this is based on "first come first serve" so those who attend our 1<sup>st</sup> registration date will have first choice.
